Lewis County Branch Projects

Expanding Your Horizons

The Branch works with Centralia College to host a career day for middle-school girls each October, focusing on pursuits in science, technology, engineering, art, and math (STEAM).

Used Book Sale

A used book sale is held each year to raise money to support our activities and scholarships. All books are obtained by donation.

Scholarships

Multiple college scholarships are given each year. The Branch also gives scholarships to camps for girls.

Community Needs

We support Hope Alliance, who work with survivors of domestic violence and abuse in Lewis County, and other community services.

Who We Are

Advocacy

Our members, supporters and national staff work on local, state, and federal levels to support laws and policies that enable women's success. Our work in statehouses and the US Capitol has helped pass hundreds of pieces of legislation. Our Legal Advocacy team has supported plaintiffs in more than 125 gender equity legal cases.

Education & Research

We champion equal opportunities in education. Although more than 60% of college graduates are women, they face barriers and biases throughout their schooling. From pre-school to graduate school, girls and women are subconsciously steered into certain fields of study and away from lucrative STEM fields.
